

INTERNATIONAL STUDENT COURSE GUIDE 2017

RTO 21113
CRICOS 03401C

WELCOME.

Max Therapy Institute (MTI) welcomes students from all over the world.

Our students not only love learning with us but it's the career opportunities that they encounter that really sets them up for their career in the massage industry.

COURSES

MTI offers a range of courses from Certificate III level right through to Advanced Diploma level. Our qualification courses are nationally recognised and have been CRICOS approved to deliver to international students.

FACILITIES

With our modern training facilities and experienced trainers & assessors; students will receive industry relevant training delivered in a variety of settings which include: classroom, student clinic and a real workplace environment.

Student kitchen and Lounge area

Free Wifi internet

Library resources

Student Computers

STUDENT SUPPORT

MTI is committed to ensuring high quality training. We provide the best student support throughout their educational journey with us. Our class sizes are small to ensure a high level of one on one tutoring as well as generating a great sense of community support within the school. International Student support services offered include:

- Language, Literacy and Numeracy assistance.
- Links with job and employer networks
- Course and career pathway counselling
- Airport pick up
- Accommodation advice

Max Therapy Institute delivers nationally recognised qualifications from the Australian Qualifications Framework (AQF) and is a member of the Australian Council for Private Education and Training (ACPET)

STUDYING IN MELBOURNE

MELBOURNE IS THE CAPITAL CITY OF VICTORIA AND HAS A POPULATION OF MORE THAN OF 5.2 MILLION PEOPLE. IT IS FAMOUS FOR ITS CULTURAL DIVERSITY, FESTIVALS, EVENTS, WORLD CLASS CUISINE, SHOPPING AND MAJESTIC ARTS SCENE. IT IS ALSO RENOWNED FOR ITS SPORTING EVENTS SUCH AS AUSTRALIAN OPEN TENNIS, FORMULA ONE, THE MELBOURNE CUP AND IS HOME TO THE MELBOURNE CRICKET GROUND.

Melbourne is one of the top ten cities in the world for international students. It is a sophisticated city that embraces multiculturalism. Melbourne offers a breath taking atmosphere and is in a spectacular setting as one of Australia's most exciting cities. It is also regarded as one of the safest and liveable cities in the world. There are many activities that are free or inexpensive for the budget conscious student.

ACCOMMODATION

There are various accommodation options to suit different budgets and needs:

- Shared Accommodation** - Living in an apartment or house with others.
- Student Accommodation** - Various types of student accommodation are available for short term or long term stays.
- Lease an apartment or house.**

PUBLIC TRANSPORT

Students have the opportunity to make use of the free tram network within the Melbourne CBD precinct. Outside of this zone, Trains, Trams and Buses offer students an efficient way of moving throughout Melbourne. Melbourne also encourages those who live in the city to ride their bikes and use the dedicated cycle paths and laneways.

CLIMATE

Melbourne is a city is best known for its changeable weather where you could be described as having four seasons in one day. Summers are warm, springs are glorious, autumns are mild and winters are crisp. Melbourne's top temperatures are usually in January and February each year.

LIVING COSTS FOR AN INTERNATIONAL STUDENT LIVING IN MELBOURNE

International students must demonstrate that they have adequate funds to support their study and living in Melbourne. The Department of Immigration and Border Protection (DIBP) may require students to show evidence that they have access to the following amount of funds to meet the living costs requirements:

- A\$19,830 a year
- A\$6,940 a year for the student's partners or spouse
- A\$2,970 a year for a child

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps support the success of students in their studies by ensuring that they don't have to rely on work to meet all of their expenses.

The figures above are indicative only and living costs can vary significantly depending on where you live in Australia. Students should be prepared in case living expenses are greater than the indicated figures.

STUDENT INFORMATION

ENGLISH REQUIREMENTS

All classes at Max Therapy Institute are conducted in English. International students are required to show evidence that they have the required level of English proficiency during the application process. Students who do not meet the minimum English requirements for their intended course are able to enrol in an MTI EAL English course. MTI also have partnership arrangements with many ELICOS providers who are able to offer English Pathways. Please visit our website for a list of English Partners.

RECOGNITION OF PRIOR LEARNING (RPL)*

MTI acknowledges that some students may have gained certain competencies of our courses through previous study or work experience. These competencies may be recognised through the RPL assessment process. Qualified assessors conduct RPL assessment to ensure that the evidence provided meets the rules of assessment. RPL application forms are available on the college website or from the college administration officer.

CREDIT TRANSFERS*

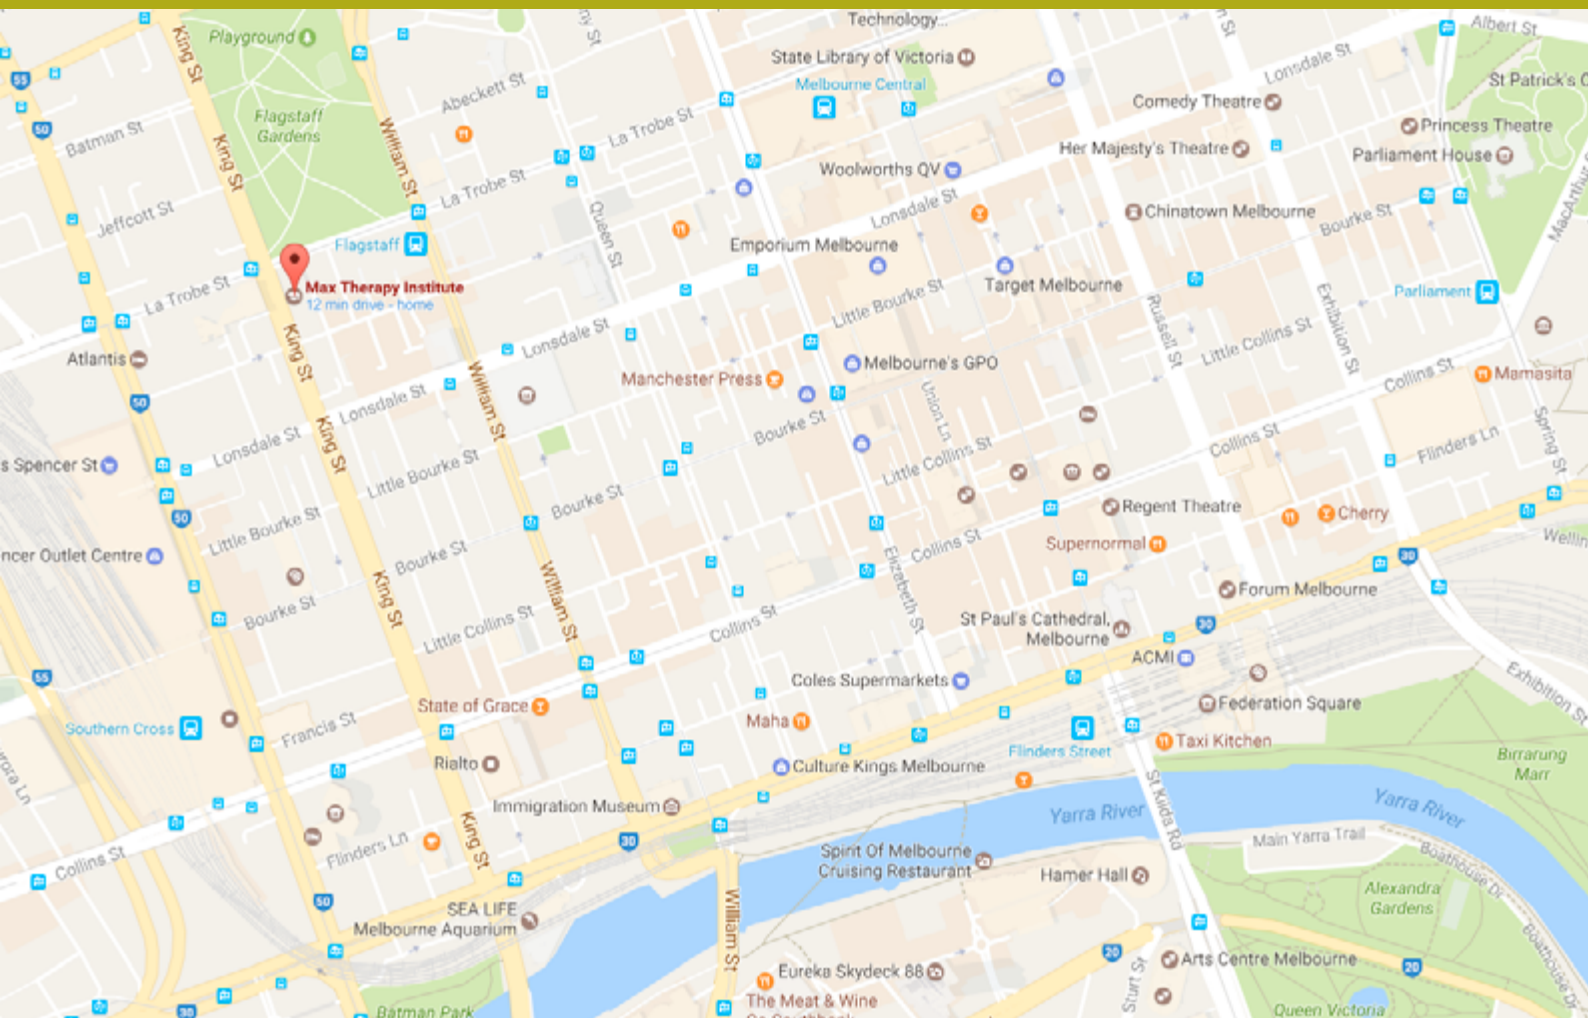

Credit transfer will be awarded for qualifications or a statement of attainment that may include units that are not a direct match but align with the content from the units within the course that the student is applying for. For example, some qualifications or statements of attainments may contain units that are from an older version of a Training Package but the content is considered equivalent. Students should indicate on the enrolment form that they are seeking course credit and provide certified copies of qualifications, including a record of results or a statement of attainment.

STUDENT VISA INFORMATION

To be eligible for a student visa application, students must first be accepted for full-time study with MTI.

Prior to enrolling it is important that students have a sound understanding of the visa regulation for their country of origin. Information about studying in Australia and Australian Student Visa application can be found at DIBP's website www.immi.gov.au or contact your local Australian Embassy/Consulate.
